

BACK TO SCHOOL!

Give your kids a jump on their studies by having them read a few books before school starts. It's a fact – children with strong reading skills perform better in school, have a healthy self-image, and become lifelong learners!

During these last few days of summer, help your kids avoid the dreaded “summer slide” – a time when children often lose months of reading achievement in just a few critical weeks.

While beach trips and movies are a summer staple, it's important to balance it all with a good book! To get tips on summer reading and access valuable resources, visit your Children's Board online today.

Get a FREE child's admission to the Glazer Children's Museum with the purchase of an adult ticket.
