

THE HEAT IS ON!

School's out and parents everywhere are scurrying to find safe, fun, educational activities for their children to enjoy while on summer break.

The Children's Board encourages you to take a deep breath, relax and visit your local Family Support and Resource Center (FSRC) to help your family make the most of these long days of summer.

Our five FSRCs are located throughout Hillsborough County and help families come together by offering a variety of free services like educational play groups, tutoring, parent support and much more! Most important, FSRCs provide the resources residents themselves determine to be most needed in their own communities.

Visit a Family Support & Resource Center near you today or call the Children's Board at 813-229-2884 to learn more.....**Because Every Child is a Dream Worth Growing.**
