

## Children's Board at *Fiesta de la Familia*

On Sunday, Oct. 2<sup>nd</sup>, the Children's Board spent the day at the *Fiesta de la Familia* Hispanic Festival.

Made possible through a partnership with event sponsor Telemundo; the festival was a great success with attendance reaching more than 5,000.

The Children's Board's booth

was crowded with interested citizens – and all marketing materials (*Family*

*Guides, pens, pouches, brochures, etc.>)* were distributed within the first two hours of the event!

The Children's Board would like to thank **Lydia Medrano, Maria Molina, Kelly Goshorn, and Millie Carreno** with Healthy Start

for their help in reaching out to Hillsborough County's Hispanic community.

We look forward to participating in more of these events so please keep an eye out for upcoming volunteer opportunities.
