

Children's Board at *Conga Caliente!*

On Sunday, Nov. 6th, the Children's Board spent the day at the *Conga Caliente* Hispanic Festival at Al Lopez Park in Tampa.

Made possible through a partnership with event sponsor Univision; the festival was a great success with attendance reaching more than 30,000.

The Children's Board's tent was crowded with interested citizens – and all

marketing materials (*Family Guides, pens, pouches, brochures, etc.*) were distributed within the first four hours of the event!

The Children's Board would like to thank **Lydia Medrano** and

Michael Anthony for their help in reaching out to Hillsborough County's Hispanic community.

We look forward to participating in more of these events so please keep an eye out for upcoming volunteer opportunities.
