*Date:* Wednesday, September 16, 2009; 9:00 a.m. - 11:00 a.m.

All organizations are required to report "where the money went." This is becoming ever more important in the nonprofit world. As a result, donors, funders, and charity watchdog organizations have placed significant emphasis on financial indicators, many of which are based on reported functional expenses.

However, the most widespread and challenging problems in nonprofits concern expenses by functional classification (program, management and general, and fundraising).

Join us for this program as Jon Stein, Certified Public Accountant with Rivero, Gordimer, & Company, P.A., provides cost accounting techniques tailored to nonprofit organizations to make it easier to deal with "the hardship of accounting."

Registration is required. Cost: \$25.00. Registration deadline: 9/11/09. To register, call (813) 287-8779 or visit [www.nlctb.org/programs.htm](http://www.nlctb.org/programs.htm) or visit <http://guest.cvent.com/i.aspx?5S,M3,c5e4927e-fb46-4a23-9331-9a5fd70808a0>
