PURPOSE:
The Children's Board of Hillsborough County has been given the responsibility and trust to
invest taxpayer monies into programs and services that benefit the lives of children and
their families. As stewards of the public's money and in recognition of our special
obligation to children, the Children's Board is committed to performing at the highest
standards of ethical conduct and embracing the principles of honesty, accountability,
respect, and trust.

To this end, the Children’s Board has promulgated the following Code of Ethics.

1.0 Children's Board Ethical Standards

The employees of the Children's Board will always uphold the law, safeguard the public’s
money, be held accountable for a job well done, regard public service as an honor, never
discriminate, work to foster a positive work environment, and always place our mission of
bettering the lives of the children in Hillsborough County in the forefront of our daily work
and decision-making.

1.1 Children's Board employees must never:

- Use public employment for private gain.
- Use public employment in violation of the Children’s Board’s policies or procedures.
- Discriminate against or harass anyone.
- Give preferential treatment to anyone or any agency/organization.
- Lack impartiality.
- Impede the efficiency or economy of the Children’s Board.
- Make a decision on Children's Board matters outside of official channels.
- Adversely affect public confidence in the integrity of the Children’s Board and its
  mission.

The Children’s Board is a professional work environment where each employee is treated
fairly and respectfully. The workplace should foster teamwork, collaborative problem-
solving, and open communication through all levels of the organization.
