ABOUT THE CHILDREN'S BOARD

BACKGROUND

In 1988, Hillsborough County residents agreed that improving supports and services to our county's children and families was a major priority for our community's future. Thus, the Children's Board was established in 1989 as a Special Taxing District allowing a levy not to exceed 50 cents per \$1,000 of the assessed property tax.

Strategic investments in the community include developing local prevention and early intervention services; convening community partners to work on outcomes improving the lives of children and their families; and providing venues for community engagement and advocacy efforts. The Children's Board is committed to funding opportunities through strategic grant making principles and leveraging strategies; developing innovative services and supports; and, catalyzing the research and community perspective to promote wellness, learning, professional training, and enhance service delivery systems.

VISION

Hillsborough County will be recognized as one of the top places in the nation to raise children.

MISSION

The Children's Board invests in partnerships and quality programs to support the success of all children and families in Hillsborough County.

CORE VALUES

Integrity - Excellence - Team Work - Respect

FUNDING PLATFORMS

The Children's Board of Hillsborough County has adopted funding platforms that establish tiered levels of grant types to support strategic focus areas. The four main funding platforms are:

- Level (1) - Investment Grants;
- Level (2) - Uniting Grants;
- Level (3) - Leading Grants; and
- Level (4) - Technical Assistance Grants.

Additional information may be accessed on the website at www.childrensboard.org.

FOCUS AREAS

Children are Healthy and Safe: Early preventative health and education prepares a family to develop nurturing and healthy habits which are enhanced by coordination with community partners including healthcare systems and primary care providers.

Children are Developmentally on Track: Early Identification of developmental needs for children birth to age five is essential for optimizing a child's potential and serves as an opportunity for caregivers to learn more about their child's current developmental functioning.

Children are Ready to Learn and Succeed: School readiness services for young children should be designed in a way that foster a nurturing, safe and healthy environment for children and respects a families' cultural values. In addition, quality early learning must also promote early caregiver involvement and professional development for early care educators.

School success works best in collaboration with teachers, administrators and parents to provide support consistent with developmental or grade level benchmarks. Successful services provide positive role modeling and motivates students to learn in safe environments.

Family Support: Support for the whole family is essential for developing informal supports, stability and overall well-being. Family Support plays an important role in a young child's brain development because early experiences develop through positive relationships which establishes the foundation for secure attachments and future physical, cognitive and social-emotional health.

COMMUNITY IMPACT

In 2020, the Children's Board and our partner agencies served more than 129,000 children and their family members residing in Hillsborough County. Over \$32 million was invested in ninety-nine programs to address the needs of our community. To ensure that our community receives high-quality services, the Children's Board promotes the use of best practices and evidence-based programming to achieve maximum benefit.

The Children's Board is a local leader in supporting capacity building efforts of non-profit organizations. The Technical Assistance (TA) Grants help agencies to improve the quality and accessibility of their services and supports to children and families. In 2021, the Children's Board awarded TA Grants to seventeen (27) local non-profit agencies, a total investment of more than \$96,000.

Appendix (#1) – Relative Governing Board Policies / Standard Conditions for Procurement**

1. RELATIVE GOVERNING BOARD POLICIES

1.1 FUNDING ELIGIBILITY

Proposers eligible for funding include not-for-profit corporations and governmental organizations legally operating in the state of Florida.

By statute Section 125.901, Florida Statutes, as it existed prior to October 1, 1990, the CBHC Board will not provide funding to programs or agencies that are under the exclusive jurisdiction of the School District of Hillsborough County. However, the Board may fund services through other organizations which are coordinated with and complement the services provided by the School District of Hillsborough County, and such services may be provided on sites owned or administered by the School District of Hillsborough County.

Funding may be provided for programs through faith-based or religious organizations if the program serves a secular purpose and if the principal or primary effect of the program is one that neither advances nor inhibits religion. Additionally, the program must not require worship or religious instruction activities as a condition of participation. All agencies funded by the Children's Board will be required to meet the same high level of professional standards and quality assurance measures.

1.2 SPECIAL FUNDING PARAMETERS

CBHC funding or resources shall not be used to replace funding for activities for which other local, state, or federal governmental agencies are obligated by statute, administrative rule, or local ordinance to support, except in the following instances:

- The Board will consider funding of health services (and other services of a preventive nature) provided that a determination is made by the CBHC Executive Director that these services cannot be funded through other agencies established to provide them. In those cases where the Board may fund such services, a plan to obtain funding from other appropriate sources at the earliest possible time will be formulated by the provider agency and approved by the Board.
- The Board will not fund academic and recreational activities unless a determination is made that these services cannot be funded through other agencies. In those cases where the Board may fund such services, a plan to obtain funding from other appropriate sources at the earliest possible time will be formulated by the provider agency and approved by the Board.
- The Board will not provide programmatic funding for real property acquisition or building construction.

- Agencies applying for funding or currently funded by the Children’s Board may not reduce or redirect funding from another source either in anticipation of, or as a consequence of, receiving funding from the Children’s Board without the prior approval of the Board. However, the Children’s Board encourages funded programs to develop other sources of funding from both public and private entities, including corporate support and individual contributions.

1.3 STAFF AFFILIATION WITH OTHER AGENCIES

No member of the Children's Board staff will serve as a Board member of any agency funded by the Children's Board. Staff may serve as non-voting consultants to such agencies for the purpose of providing technical assistance with the approval of the Executive Director of the Children's Board. CBHC staff already serving on governing bodies of agencies which make a proposal for funding to the Children's Board will take a leave of absence until a decision is made regarding the proposal. If funding is approved, the CBHC staff member concerned must resign membership on the governing authority. No CBHC staff member will accept any compensation from an organization funded by the Children's Board.

1.4 UNIVERSAL ACCESS TO CHILDREN’S BOARD FUNDED SERVICES AND RESOURCES

Services and resources funded by the Children’s Board are available to all eligible families, as determined by the funded agency’s admission criteria.

2. STANDARD CONDITIONS FOR PROCUREMENT

2.1 EQUAL OPPORTUNITY AND NONDISCRIMINATION

The CBHC encourages the participation of minority, faith-based, and grassroots organizations in all contracts. No person or legal entity will be excluded from participation in, denied the benefits of, or otherwise discriminated against in connection with the award and performance of any Children's Board procurement on the basis of race, color, religion, national origin, age, gender, sexual orientation, disability, or marital status.

The Grantee shall not discriminate in providing services on the basis of race, color, religion, national origin, age, gender, sexual orientation, disability, or marital status.

2.2 NO ORAL INTERPRETATIONS

Responses, interpretations, explanations, corrections, and changes in this Request for Proposals will only be made by written answers to Proposers' questions submitted prior to the deadline for such questions and/or by addendum. Interpretations, explanations, corrections, and changes of the Request for Proposals made in any other manner, or communicated orally by Children's Board staff will not be binding on the Children's Board and Proposers shall not rely upon them.

2.3 QUESTIONS FROM PROPOSERS AND CHILDREN'S BOARD'S RESPONSE

All responses to Proposers' questions about the Request for Proposals will be in writing. Questions and answers will be posted on the CBHC Website. Should any questions or responses require revisions to the Request for Proposals, such revisions will be by addendum only, and posted on CBHC Website.

2.4 ADDENDUM AND INCOMPLETE PROPOSALS

Proposers are responsible for complying with any addendum issued. FAILURE TO RESPOND TO ANY ITEM, INCLUDING ANY REQUESTED INFORMATION, OR FAILURE TO FOLLOW THIS PROCUREMENT DOCUMENT MAY RESULT IN THE SUBMISSION OF AN INCOMPLETE PROPOSAL AND MAY RESULT IN DISQUALIFICATION OF THE PROPOSAL FROM FURTHER CONSIDERATION.

2.5 RIGHT TO SEEK AND CONSIDER CLARIFYING INFORMATION

The Children's Board may seek clarifying information regarding any Proposal. Such clarifying information shall be provided by the Proposer in writing.

2.6 REJECTION OF PROPOSALS OR PROPOSERS

The Children's Board reserves the right to reject any Proposals with or without cause, to waive technicalities or informalities, and/or to accept a Proposal which best serves the interests of the Children's Board as described in this procurement document.

Any Proposal determined to be non-responsive to any specification or requirement of this RFP document, including instructions governing submissions of Proposals, may be disqualified without evaluation.

Proposers who violate the provisions of this procurement document may be rejected from the selection process.

2.7 COST REIMBURSEMENT PAYMENTS

Grantees will be paid on a cost reimbursement basis. This will require applying organizations to have the financial resources with evidence of two (2) months of available reserves to pay operating expenses of the program prior to receiving payment from CBHC.

2.8 CHILDREN'S BOARD'S CONTRACT

By submitting a Proposal, the Proposer agrees if an award is offered, the agency will perform the Services to contract specifications. The Proposer will, upon such selection, execute a standard CBHC contract for program Services. Execution of the contract will be contingent on availability of funds and Board approval.

2.9 AWARD OF CONTRACT

The contract for Services will be awarded to the organization submitting a Proposal that is determined to be best aligned with the desired outcomes of the Children's Board. No contract shall exist between the Children's Board and the selected organization until the written contract is signed by the Children's Board and the selected organization. The Children's Board reserves the right to negotiate the revision of the Scope of Services with the successful Proposer(s) as deemed necessary to meet the desired outcomes. The Children's Board reserves the right to award different elements or components to different Proposers as determined to meet the intent of the RFP. Awards are not based solely on scores from the Community Review Team. The Children's Board also considers its priority populations, available funds, and/or local data driven community needs for families and their young children.

2.10 PROHIBITIONS ON PROPOSERS WHO ARE FORMER CBHC EMPLOYEES AND BOARD MEMBERS

For a period of two (2) years from the date a Children's Board employee or Board member ceases his/her employment or Board member duties with CBHC, the CBHC will not award a consulting or services contract to that individual.
